April 15, 2010

Dear Interested Party:

We would like to invite you to participate in public scoping for the Mineral King Management Plan and Environmental Assessment (MKMP). The last comprehensive plan for the Mineral King Area was completed in 1980. The purpose of this plan is to evaluate recommendations from park-wide planning documents and determine which would be implemented through the MKMP; to address current and future needs related to visitor use, natural and cultural resources protection, and land protection; to provide long-term management direction for the Mineral King area; and to establish direction and guidance for the protection of the Mineral King Road Cultural Landscape District.

Public scoping is an opportunity for interested individuals, organizations, agencies, and tribes to provide thoughtful, relevant information or suggestions for consideration by park managers before alternatives are developed and analyzed for the MKMP.

Four meetings are scheduled to help facilitate public involvement and to provide you with more information on the draft project purpose, needs, and objectives. The dates, locations, and times are listed below. The meetings will begin with a brief presentation, followed by a question and answer period. Then the public will be invited to discuss their interests and concerns with park staff in an open house forum. The park is also drafting architectural design guidelines for the Mineral King Cultural Landscape District and a preliminary draft document will be available for review and discussion at the public scoping meetings. If you would like a copy of the draft architectural design guidelines once they are ready for public review, please contact Cultural Resource Specialist Tom Burge at (559) 565-3139 and he will add your name to the mailing list.

If you cannot attend any of the meetings, information and materials related to public scoping will be available online by selecting Sequoia and Kings Canyon National Parks at the NPS Planning, Environment and Public Comment website, <http://parkplanning.nps.gov/seki>, or you may contact Environmental Protection Specialist Nancy Hendricks at (559) 565-3101 for printed versions of the materials. Public comment may also be submitted at this website, or you may direct comments regarding this project to the park in writing by sending an e-mail to seki_planning@nps.gov, or by mail or hand delivery to:

Superintendent
Sequoia and Kings Canyon National Parks
Attn: Mineral King Management Plan
47050 Generals Highway
Three Rivers, CA 93271

All comments must be received by June 30, 2010.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will always make submissions from organizations or businesses, and from individuals identifying themselves as representatives of or officials of organizations or businesses, available for public inspection in their entirety. Anonymous comments will not be accepted.

Public Scoping Meetings:

Thursday, May 6, 2010, 6:30-8:30 p.m.

Tulare County Education Center ("The Pit")
2637 West Burrel
Visalia, CA 93278
559-733-6300

Tuesday, May 11, 2010, 6:30-8:30 p.m.

Three Rivers Union Elementary School Gymnasium
41932 Sierra Drive
Three Rivers, CA 93271
(559) 561-4466

Wednesday, May 12, 2010, 6:30-8:30 p.m.

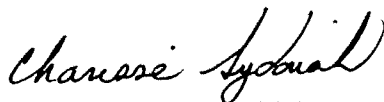

Bakersfield College
The Fireside Room (Center of Campus)
1801 Panorama Drive
Bakersfield, CA 93305
661-395-4221
